

A SPECIAL Adventure

A PROGRAM OF THE DEB AND JEFF HANSEN FOUNDATION

To support families battling childhood cancer, the Deb and Jeff Hansen Foundation introduced "A Special Adventure" to provide families an all-Iowa weekend getaway to spend time together and have fun.

Annually, the Deb and Jeff Hansen Foundation gifts 40 Iowa families their choice of three local trips: Nature Lover's Adventure, Capitol City Adventure, or Train Lover's Dream. Trips will be rotated to provide seasonal options and highlight the family-friendly destinations across Iowa.

Special Adventure program trips highlight many of the fun highlights Iowa has to offer including children's museums, amusement parks, pumpkin patches, water parks, donut shops, ice cream parlors, and more.

Each Special Adventure includes:

- A two-night, three-day Special Adventure trip selected by the family (see Deb and Jeff Hansen Foundation's Special Adventure Options information sheet)
- An Adventure Pack Backpack with trip itinerary, confirmations and essentials
- Special Adventure t-shirts for the entire family
- A Fujifilm Instax Mini Polaroid camera and trip journal
- A collection of Special Surprise Fun Boxes filled with family-friendly travel games, travel accessories, activities and snacks

Eligibility and Application Process

This program is designed for families of children diagnosed with cancer and between the ages of 2 and 18 at the time of referral. Families with a child on or off treatment—or regardless of treatment outcome—are eligible.

Those eligible to refer a family to be considered for A Special Adventure include—

- Children being treated for cancer
- Medical professionals (typically a doctor, nurse, social worker or child-life specialist)
- Parents or legal guardians
- Family members with detailed knowledge of the child's current medical condition
- The family being referred must live in Iowa

Each Special Adventure trip comes complete with fun family-friendly games, travel accessories, activities and snacks!

The Deb and Jeff Hansen Foundation offers one trip per family, for all immediate family members (mother, father, siblings). Families are asked to share their involvement with other wish programs and organizations; however, we do not turn down families who have participated in similar programs.

Families will be asked to provide the Deb and Jeff Hansen Foundation with 8-10 photos and a few trip notes from their Special Adventure and agree to use of that content to aid in the promotion of the program.

Applications are housed on iowaselect.com and can be completed at any time. Applications will be reviewed each month, and families will be notified within six weeks of application.

Ashton, Jaime, Adison and McKenna Riebkes

“Throughout treatments, we missed out on a lot of family time,” said Jaime Riebkes, whose daughter McKenna was diagnosed with neuroblastoma prior to her third birthday. “A Special Adventure allows children with cancer to have fun, do things other families do, and focus on being a family. Traveling a long way from home can be nerve-wracking for a child with cancer and their family. The A Special Adventure trips are easy to get to and help a family reset and renew together.”
